

ASTON MARTIN

SILVERSTONE GP CIRCUIT, UK

Wednesday 4 April

Welcome to On Track 2012

We are pleased to offer our On Track customers the opportunity to participate in our exclusive Aston Martin track day at Silverstone.

Silverstone Circuit is the venue of the FIA Formula One British Grand Prix as well as numerous other renowned races such as the FIA GT World Championships and British Touring Car Championships.

This venue is also known as the “Home of British Motor Racing”, a sign you will see over the gate as you enter the circuit.

Over the last couple of years Silverstone Circuit has undergone a series of developments to establish itself as a premier motorsport venue and one of the best motor sport facilities in the world for competitors, organisers and spectators alike.

Many changes have taken place since the circuits inception in 1948 and like many racing circuits around the world, there are a number of different layouts which offer differing lengths and complexities.

However, for our exclusive track day, we are using the New Grand Prix Circuit, launched at a ceremony on 29th April 2010 by his Royal Highness the Duke of York and which has since been used for both the British Grand Prix and MotoGP races.

This layout features the fast sweeping curves of Woodcote and Copse, the challenging Maggotts, Becketts and Chapel complex, the new infield section comprising of Abbey, Farm, Village, The Loop and Aintree as well as the Hanger and Wellington Straights.

The circuit is located on the A43 between the M1 and M40 next to the Northamptonshire villages of Silverstone and Whittlebury.

Circuit Length: 5.901km (3.667 miles) Corners: 18

PROGRAMME

The day starts at 08.00 with refreshments and registrations, followed by a circuit briefing. At the same time, your car will be inspected by a member of our technical support team and approved for track use.

First drive sessions will commence at 09.00. During these initial track sessions every customer will be accompanied by an Aston Martin ARDS qualified instructor. Once you have reached the required level of competency on track, your instructor will sign your Aston Martin On Track Passport and you may then drive unaccompanied or with your guest on track. Please be aware you can request to keep the instructor tuition for the remainder of the day if you wish.
